Save money,
save the environment.

Embrace Freedom: Simplify your Life
with Providence Electric Share Vehicles

“When you’re downsizing and simplifying life, the costs and responsibilities of maintaining, licensing, and insuring one or two cars can become overwhelming. Enter Providence’s Electric Share Vehicle programme - a convenient second car without the burdensome running costs. Whether you use it frequently or sparingly, this share vehicle will not occupy your driveway and drain your resources. Experience the luxury and convenience of a Tesla without the hefty \$60,000 plus price tag and ongoing maintenance costs.”

Explore the new Share Vehicle!

Unlock the future of automotive excellence with the Tesla Y. Explore the following characteristics:

A Compact SUV: Get ready to embrace the perfect blend of style and functionality. The Tesla is designed to fit seamlessly into your lifestyle.

Over 450 Kilometres on a Single Charge: Enjoy the freedom to roam far and wide, with a range that goes beyond your expectations.

Easy to Drive: Experience driving like never before with a car that responds to your every command. The Tesla makes every journey effortless and enjoyable.

Touchscreen Control Center: Innovation at your fingertips! Take command with ease through the intuitive touchscreen display, located right at the center of your driving experience.

Electric Power: Join the green revolution with a vehicle that runs solely on electricity. Leave a positive impact on the environment without compromising on performance.

Safety First: Feel secure on the road with the Tesla’s cutting-edge safety features, boasting a stellar 5-star ANCAP safety rating.

Join us in reshaping the future of driving. Get ready for a thrilling adventure – it’s time to embrace the Tesla experience.

Now easily booked at your fingertips through the Mojo Car Share App. Seamlessly accessible on the App Store or Google Play. Find detailed instructions on the following page, this is your gateway to a revolutionary driving experience.

Your Path to Premium Convenience and Savings

Convenience at Your Fingertips: Say goodbye to waiting for Uber or relying on public transport. With Tesla, you have the freedom to come and go as you please.

Cost Efficiency Redefined: Save money and reduce the annual costs of servicing, registration, and fuel that an average-sized car typically incurs. Opt for our on-demand hire when you need it.

A Smarter Second Car: Consider downsizing from a two-car household to one, knowing that a second car is readily available right at your doorstep.

Effortless Booking: Booking a Tesla is as simple as a few taps on your smartphone. Convenience is a touch away.

Eco-Friendly Travel: Go green with our environmentally friendly Tesla fleet. Join the movement toward sustainable transportation.

Exclusive for Providence Lifestyle Homeowners: As a Providence Lifestyle homeowner, enjoy the added value of staying ahead of the curve and embracing modern, sustainable living.

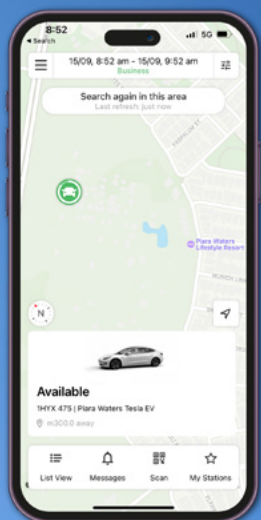

Stay Tech-Savvy with Tesla: Learn how to operate cutting-edge technology that even your grandkids will find impressive.

Safety Beyond Compare: Drive with peace of mind, thanks to our 5-star ANCAP safety rating. Tesla can detect nearby cars and hazards, reducing the risk of collisions and making parking a breeze.

Elevate your driving experience, embrace sustainability, and enjoy the countless benefits of Tesla.

Download
the MOJO
app today!
