## TO PROVIDENCE LIFESTYLE PIARA WATERS RESORT

Piara Waters is home to a residential growth corridor 20km southeast of Perth and within the City of Armadale.

With a population of just over 16,000 and a median age of 31, it is a suburb that has benefited from the influx of young families and newly constructed homes.

Previously part of Forrestdale, Piara Waters is a boutique suburb of just 7 square kilometers which has come into its own with its popularity. Its handy location and easy access to major freeways both North, South, East and West has been a draw card for many who call Piara Waters home.

Extensive road infrastructure satisfies the growing population and has seen the area change from a rural to urban precinct over the last few years. The closest shopping centres to the Resort are Piara Village on Erade drive and Harrisdale Shopping Centre, with both providing all the basics. If you are after a wider array of shops then Cockburn Central is ideal.

A stone's throw away and now known as the "local" is the popular CY O'Connor Tavern renowned for great food and a garden setting to relax with friends. To 'park n ride' into the city by train, the Cockburn Train Station offers plenty of parking and you can enjoy a super quick trip into Perth.

This booklet has been designed as a local directory to show you some of what's available in the surrounding area. Enjoy!
